Section C: Outcomes achieved by the end of the year

- Several workshops/seminars etc. were organized by different departments and considerable community work has also been carried out as a part of 'giving back to society'. Moreover, as is evident from item 43 above, nearly all the faculty have broadened their knowledge base by attending several national and international conferences/seminars/workshops.
- As decided in the previous academic year, all the constituent colleges have published the respective college magazines. The University journal "Unmesh" for dissemination of academic pursuits of faculty and scholars and also with information on achievements, events, projects, awards etc. for in-house use and circulation among other universities was published
- A cultural and literary function of the university, "Samvet" was organized.
- A memorial lecture in the name of late Shri Mohanlal Sukhadia, ex-chief minister of Rajasthan, after whom this university has been named was organized. This lecture was held on 19th February 2008. However, it has been decided to hold this lecture on 31st July the date of his birth from the next session onwards. In this session the talk was delivered by Prof. V. Upadhyaya, Vice-Chancellor, Lal Bahadur Shastri Sanskrit Vishwavidyalaya, Delhi.
- Coaching classes for preparation for Rajasthan Administrative Services (RAS) were held

Section D: Plans of the HEI for the next year (i.e. 2009-2010)

- Implementing a web based Student Feedback System to make available feedback forms to the students through university internet and Intranet.
- On-line Grievance System for the students to file on-line grievances.

- Establishment of a Central Placement Cell of the University in the Faculty of Management Studies.
- Organized students outreach programme in the Science departments.
- Initiating implementation of Choice Based Credit System in MCA and Credit System in MBA, and working out action plan for implementation of Academic Reforms in phased manner in the University.
- Initiating Add-on Diploma programme for regular students of the university
- In reference to a letter received from the Principle Secretary, Government of Rajasthan, it was proposed to set up an IPR cell in the university.
