# *Cannons of library classification*

- ▶ Many Library science professionals tried to develop cannons of library classification
- ▶ Such as E.C. Richardson, H.E. Bliss, etc.
- ▶ In 1937, Dr. Ranganathan developed the cannons in his book “Prolegomena to Library Classification”

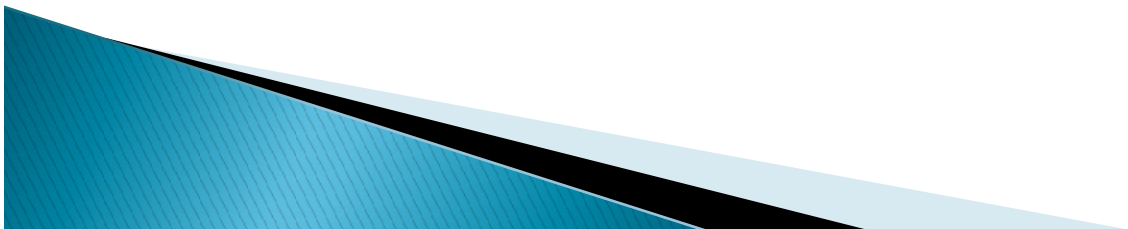

# Cannon of Notational Plane

Cannon of Homonym

Cannon of Synonym

Cannon of Uniformity Vs Relativity

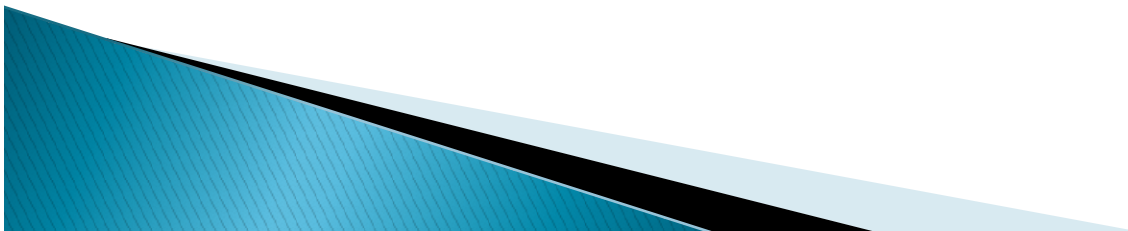

Cannon of Hierarchy Vs Non Hierarchy

Cannon of Mixed Notation Vs pure notation

Cannon of Faceted Notation vs Non Faceted Notation

Cannon of Co-extensiveness vs Under extensiveness

THANK YOU
