No. MLSU/DEGREE/2016/ 2738

Date: 29.12.2016

To,

The Dean / Director / Principal,

Sub : Distribution of undelivered degrees up to the Examination year 2014.  
Ref : This office order No. MLSU/Degree/2016/2385 dated 18/18.07.2016.

Dear Sir,

It has been brought to the notice of the undersigned that large number of degrees up to examination year 2014 are lying undistributed in the constituent and affiliated colleges of the University. Because of this, some colleges have approached the University to get back the degrees as they have short of space and infrastructure to keep these degrees safe and protected.

To resolve the issue, it is suggested that these undistributed degrees may be distributed by organizing "Degree Distribution Camp" after 15<sup>th</sup> of January, 2017 at your college level. Further, this may be given wide publicity and concerned may be possibly informed individually to collect the degrees from the respective colleges.

Yours faithfully

(H.S.Bhati )
