In the beginning of the semester, teaching plan for each paper shall be declared by the teacher concerned giving topics of the lecture and teaching hours, the text and reference book followed. In addition to the class room instructions, the curriculum consists of seminars, assignments and internal examinations.

Seminar: Students are-required to give one seminar in each semester (10 to 15 minutes) using Audio visual aids. They will be required to submit detailed written work on the seminar topic. Attendance in all the seminars by the students is compulsory. Marks proportionate to their absence will be deducted from seminar component of the internal marks.

Assignments: Teachers will give regular assignments to the students to assess in the topics. Students will be required to complete the same within the stipulated period

Dissertation: Students will be required to carry out a dissertation work in the last semester under the supervision of faculty members. Number of students under each supervisor shall not exceed five as prescribed by the university under the Ph.D. regulation 2009

5. ATTENDANCE:

Regular attendance of the student is an important factor in the semester system. No candidate can be allowed to appear in the End Semester Examination as a regular student unless he/she has attended the course regularly.

5.1 Regular 100% attendance is expected of all students for every course in class room and Laboratory. Hence attendance is compulsory and will be monitored in the semester and students will be informed at the end of the month and end of semester.

5.2 A maximum of 25% absence for the attendance may be condoned only on valid grounds such as illness, death in family or other emergency beyond students control and approved by the Head of the Department. Sanctions are to be taken within a week after joining.

5.3 For students participating in Sports/Cultural event/NCC camps during a semester the maximum number of days of absence shall not exceed 8 days. Any waiver in this context shall be on the recommendation of the Dean - Student Welfare and the student will be required to apply in advance for the leave to the Head.

5.4 If a candidate is absent from the semester classes for a period more than one week without prior notice, admission of the candidate in the course will get terminated automatically. If a candidate is absent due to medical reason, the same must be intimated to the Head/Course Director well in time. However, he/she will not entitled for any exemption from the attendance requirements of the semester

5.5. If attendance of a candidate in a paper is less than 75%, his/her internal assessment will be marked zero and a candidate may be allowed to appear in those papers in which his/her attendance is less than 75% subject to the condition that NR will be marked in these papers to indicate “attendance is short so declared as Not Regular”. However, no such candidates will be allowed to appear in the practical examinations on account of the insufficient laboratory training received by the candidate due to his absence from laboratory.

Examination scheme:

6.1 University shall conduct examinations only after completion of instructions as per course structure of each semester. External examination may be conducted on consecutive working days without any gap.

6.2 Each theory paper shall be of 100 marks (75 marks for written examination of 3-hrs duration and 25 marks for internal assessment).

6.3 Each practical paper shall be of 100 marks (75 marks for semester practical examination of six hours duration and 25 marks for internal assessment).

6.4 The question paper shall consist three parts. Part-A will contain ten short answer type questions for which answer must be provided within 20 words for each, Part-B will consist five questions (which requires answers in 250 words for each), one from each unit with internal choice. Part C will consist four long answer type questions (500 words each) out of which candidates will be required to answer two.

6.5 The Internal marks will be awarded, by the teacher concerned and will be put for consideration of a committee consisting of Head, Teacher concerned and a nominee of Dean, Post Graduate Studies for final award the internal marks. Internal marks will be displayed on the notice board and grievance will be invited from the students before final award by the committee. The committee will ensure that norms given for internal evaluations are followed in the award of internal marks for each theory & practical paper.

6.6 To ensure that questions are put within the scope of the course, following materials must be sent to examiners to set question papers

(a) Prescribed syllabus of the paper

(b) Detailed lecture schedule giving the chapter/section of the text books & Reference book.

(c) Model Question paper

7. Internal evaluation scheme to award internal marks

7.1 Assignments: 40% of the internal assessment marks for each theory paper will be awarded on the basis of the performance in the assignments regularly given to the students.

7.2 Internal examination: 40% of the total internal assessment marks for each theory-paper will be awarded on the basis of the performance in the written examination conducted by the faculty, one at the end of the two months and another at the end of the semester.

7.3 Seminar & Oral examination: 20% of the total internal assessment marks for each paper will be awarded on the basis of the performance in a seminar and Internal viva examination. At least one Internal Viva Voice examination per paper will be conducted by a committee consisting local examiners preferably during internal examination.

Note: Candidate who attends less than seventy five percent of the total classes conducted in a paper will be awarded zero marks in the internal marks of that paper.

7.4 Students are required to keep record of the assignments, Seminars and answer books of the internal examinations and present them at the end of the semester to the advisory board of the course. The attendance of each student will be examined by the board .The internal marks awarded by the teacher will be moderated by the semester board if necessary.

7.5 If a student has undertaken Dissertation work but failed to submit the dissertation report before the prescribed date for submission, the candidate shall be declared failed in III semester. However he/she will be allowed to submit the same whenever next Semester examination is conducted and internal marks will be carried over.

7.6 If the dissertation work of a student is found unsatisfactory or he/she is not carried out the dissertation work he/she will be declared failed in the III Semester examination and shall not be eligible for award of M. Phil, degree. Such students will be given one more chance within

one year provided they undertake a fresh dissertation work as per rules. Internal marks if any awarded shall be treated as cancelled and student shall be required to undergo fresh internal examination as per rules

8. Minimum passing marks and criteria for promotion to next higher semester

8.1 The minimum marks for passing a semester shall be 40% in each paper and 50% marks in the aggregate.

8.2 A candidate failed to obtain least 40% marks in each of the papers prescribed in the first and second semester to satisfy passing criterion in individual papers but obtained an aggregate of 50% marks of the maximum marks of the first and second semester together shall be required to re-appear in those papers in which he/she has secured less than 40% marks when these courses are offered again so as to satisfy the passing criteria laid in 8.1
